## SPOTLIGHTS

### Senior Spotlights

#### Ely Pigg

Ely Pigg is the son of Terry and Charlotte Pigg. Ely has spent his entire high school career at Maysville High School. After high school Ely does not plan to attend college.

Ely's most favorite academic experience is reaching his AR reading goal once or twice. His most favorite non-academic experience in high school is the baseball bus rides with coach Keaton. The accomplishment he is most proud of is winning first place in wall ball at an OU baseball clinic. The person Ely admires most is Trevor Brazil.

People describe Ely as Hick, red headed, a Cowboy, and Friendly to some. During his free time he works on a ranch and team ropes. The future goal Ely has for himself is

to get a job and become a good roper. If he had to describe himself to a stranger he would say “I'm red headed, that wears blue jeans and a button up shirt.” This past summer Ely worked and roped.

Ely says that he is a good student and prefers a small class setting.
