### Senior Spotlights

#### Zachary Green

Zachary is the son of Wayne and Brandi Green. Zach has attended Maysville schools since kindergarten. After high school he plans to stay home and work on their farm.

The one thing that Zach wants everyone to know about him is that he is hardworking and enjoys raising angus cattle and farming. The person Zachary admires most is his dad. He has taught him everything he knows about farming and raising cattle. The things he has learned has helped him choose a career that he is passionate about.

When described by those who know him they all say that he is short, smart and hardworking. When Zach describes himself to others he says he likes precision shooting, he is easy going and enjoys working with cattle.

Setbacks are a part of life and when Zach faces a setback he keeps moving and solves it with a

solutions he feels will work regardless of doubts from others.

If Zach is not at school you will find him working, at the gym or hunting pigs. He is excited about his future farming and raising angus cattle and is confident that he will be successful in his career.
