## RECIPE OF THE WEEK

### Chocolate Chip Cookie Dough Truffles

#### Ingredients:

- 1 ¼ cups all-purpose flour
- 4 oz. bittersweet chocolate
- ½ cup lightly packed brown sugar
- ½ cup mini chocolate chips
- ¼ cup granulated sugar
- ½ tsp. salt
- ½ tsp. coconut oil
- 1 stick unsalted butter
- 2 tbsp. milk

#### Truffle:

In a large bowl, beat butter and sugars with electric mixer until light and fluffy. Mix in milk and vanilla. Add flour and salt and mix on low until combined. Stir in chocolate chips. Cover with plastic wrap and chill in fridge for about 30 minutes or until firm enough to roll into 1-inch balls.

Place rolled balls onto a baking sheet lined with wax paper and place in the freezer for at least 30 minutes so they can firm up.

#### Chocolate Truffle Dip:

Place chocolate and coconut oil in a microwave safe bowl and melt for 60 seconds at 50% power. Stir and repeat for 30 second intervals or until chocolate is completely melted. Allow to cool slightly if very hot.

Remove a handful of balls from the freezer at a time and dip in chocolate. Tap off any excess coating and place back on wax paper to set. (Add mini chocolate chips while the coating is still wet if desired.)

Refrigerate in an airtight container for up to a week.

Makes 24 truffles.
