MAYSVILLE WARRIORS FOOTBALL SPOTLIGHTS

22 Deshai Lemar Notti

Deshai's siblings are Jalisa Love and Jermaine Carter. Deshai started playing football in 8th grade. His positions are running back and D-end. One memory he will never forget at Maysville is his first playoff game. It was an exciting game and it felt very pumped up. Deshai thinks this season will live up to his expectations. The best thing about playing in front of a home crowd is the feeling it gives him. When it comes to playing in front of the opposing teams fans at away games, it does not bother him. Deshai is most proud of Will Morton because he has really stepped up this year and became a leader. Deshai likes to get pumped up for a game by listening to music. It makes a difference because it gets him really pumped for the game. A time where something didn't go Deshai's way in a game was when his shoulder was giving him problems but he overcame the pain and pushed through.

10 Shade Austin Donaho

Shades parents are Nina Bailey and James Donaho, his sibling is Ryker Bailey. One memory Shade will never forget at Maysville is being around his friends and hanging out with them. Shade thinks this season will live up to his expectations because we have been working hard. The best thing about playing in front of a home crowd is knowing his friends and family is there watching. Playing in front of the opposing teams fans at an away game does not bother Shade because he ignores them. Shade is most proud of Toby Carr because he has great character on the team and is a good player. Shade likes to get pumped up for a game with his team. It makes a huge difference rather than not getting pumped up at all. Something that didn't go Shades way in a game was when he missed a pass but he came out the next play and caught the next pass thrown to him.
