## ***MAYSVILLE WARRIORS FOOTBALL SPOT-***

### ***# 4 Kyle Thomas Owen***

Kyle's parents are Jon and Amber Owen. He has a brother-Jacob Owen, and a sister-Emma Owen. Kyle started playing football in the 5<sup>th</sup> grade. His positions are: center and defensive end. One memory Kyle will never forget about his time at Maysville was when the team scored our first touchdown of this season. What makes it so memorable is because it will be the last first touchdown of a season Kyle will experience in his high school career. Kyle thinks that this season will live up to his expectations. The best thing about playing in front of a home crowd for Kyle, is knowing nearly everyone from Maysville is there watching. When it comes to playing in front of the opposing team's crowd, Kyle is not bothered by them. Kyle is most proud of his brother Jacob for stepping up and playing for Kyle's senior year. Kyle likes to get pumped for a game by listening to music played in the locker room to get him mentally prepared. It makes a huge difference. A time where something didn't go Kyle's way in a game was when he had a bad snap and snapped it to low. He handled and got past it by making a better snap the next play.

### ***# 3 Junior Simmons***

Junior's parents are Jay and Michelle Simmons. He has a brother-JayQuan Simmons, and three sisters- Jasmine, Kaneesha, and D'Zana Simmons. Junior started playing football in kindergarten. His positions are: Quarterback and Cornerback. One memory Junior will never forget about his time at Maysville was when he threw three touchdown passes to Will Morton against Paoli. The best thing about playing in front of a home crowd is the intensity and most of the crowd that's cheering on the team. Junior doesn't worry about the opposing teams fans, he just goes through his keys and pays attention to his coaches. Junior is most proud of Kyle because he stepped up and is playing a position he has never played before and is doing great at it. Junior gets pumped for a game by listening to his music and watching film. It makes a big difference. A time where something didn't go Juniors way in a game was losing to Davenport. He got past it and handled it by keeping his head up and pushing through.
